Event Descriptions:

Find Us On Web is here to help support local businesses. We are at a very positive stage on the Island and it's great to see businesses enjoying more freedom to operate fully and plan for the future! We are offering free online opportunities for local businesses to connect and network, conveniently online where you can share information about your services, promotions, events and offers.

The format will be:

- ? Welcome from host
- ? 5 min presentation from key speaker
- ? 1 minute round of networking

You don't need to download any software, but please use Chrome as the browser if possible.

The Zoom link to join Isle of Man networking events is <https://us02web.zoom.us/j/9340796187>

Newsletters On Web

Organiser Of News Letter on Web - Discovery Session May 2021

Organiser Details:

CONNECTED COMMUNITY NEWSLETTER BROUGHT TO YOU BY FIND US ON WEB

The FindUsOnWeb Connected Community Newsletter contains helpful information applicable to neighbourhood business networks about things like occasions and projects; award and subsidising programs; courses, classes and exercises occurring across the local area; gatherings and meetings; preparing openings, business promotions, products and services updates, People in Business , local news and articles in addition to considerably more.

This is a FREEMIUM, month to month bulletin, open to all member companies of FindUsOnWeb business community . The bulletin contains things which ought to be of general interest to the community, in addition to a schedule of events for the coming month.

Our objective is to make it a practical monthly guide that helps innovators and entrepreneurs to harness new, extreme ideas despite complex business barriers along the way and grow their business organically using 12 point of touch strategy.

Designed to be easy-to-use this issue provides insight, practical solutions and reusable canvasses to help innovation managers, CEOs, Chief Innovators and directors of not only share the company offers, promotions and news but share innovations to develop breakthrough ideas
